3rd Annual UC Irvine Division of Transplantation
2011 Kidney Transplantation:
A Collaborative Effort

A CEU and CPEU accredited course for 5.5 hours by the California Board of Nursing and the American Dietetic Association

Doubletree Hotel
100 The City Drive ▪ Orange, CA 92868
714.634.4500

SCHOOL OF MEDICINE
UNIVERSITY OF CALIFORNIA • IRVINE
Course Description:
This UC Irvine third annual course is being offered to provide the most current information on kidney and pancreas transplantation options and treatments for patients with end stage renal disease in our region.
A collaboration of healthcare providers working to achieve a positive outcome for patients pre and post transplant.

Target Audience: Dialysis Center RN’s, NP’s, PA’s, Administrators, Dietitians, Social Workers and Technicians, Nephrology nursing, Case Managers, and all Allied Healthcare Professionals.

Learning Objectives:
- Improve long-term positive outcomes for renal transplant patients by improving community healthcare provider’s knowledge, competence, and evidenced based performance.
- Accurate wait list education would be beneficial to potential transplant patients as they might start their evaluation process earlier and thus become listed sooner.
- Examine ethical issues for healthcare options
- Review of Living Donation option

We are pleased to acknowledge DaVita as a major sponsor.

CEU/CPEU Certification: Provider is approved by the California Board of Registered Nursing, Provider Number 00005; OCEMS for Pre-hospital Care Classes, Provider Number 30-0024 and CBBS Provider Number PCE 2279, This program has been approved by the Commission on Dietetic Registration for (5.5 CPEUs) and California Board of Nursing for (5.5 CEU hours).
