The UC Irvine Health 7th Annual Kidney Transplant and Nephrology Symposium is designed to enhance the knowledge of healthcare professionals on the current status, recent advances and updates on dialysis, nephrology and transplantation.

Through a combination of lectures and case-based presentations, this course will deliver up-to-date and cutting edge information that can be directly integrated into clinical practice.

Target Audience
Nephrologists, internal medicine physicians, primary care physicians, RNs, NPs, PA-Cs, pharmacists, social workers, dietitians, and all allied healthcare professionals who participate in the care of patients with chronic kidney disease and end stage renal disease, pre- and post-kidney transplant.

Accommodations
The Hilton Waterfront Beach Resort
21000 Pacific Coast Highway
Huntington Beach, CA 92648
For room reservations contact Karen Anthony at 714-845-8416 or kanthony@waterfrontresort.com. The conference rate is $259 for a king standard room, as available.

Accreditation Statement
The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement
This conference is a collaboration between the University of California, Irvine School of Medicine and the University of California, Irvine Department of Urology. The program is designed to meet the need for educational activities of continuing education for physicians.

California Assembly Bill 1195
The University of California, Irvine School of Medicine is a designated disease activity for a coverage under California Assembly Bill 1195. This program is intended to meet the need for educational activities of the type that is a designated disease activity for these purposes. This program is intended to meet the need for educational activities of the type that is a designated disease activity for these purposes.

Disclosure Statement
It is the policy of the University of California, Irvine School of Medicine and the University of California, Irvine Department of Urology to ensure balance, independence, objectivity and scientific rigor in all CME activities. Full disclosure of conflicts and conflict resolutions will be made prior to the activity in writing via handout materials, insert or syllabus.

Learning Objectives
After completing the learning activity, the participant should be able to:
• Describe the risk of chronic kidney disease after cancer nephrectomy and the latest advances in treatment options
• Discuss current practice and recent advances for urologic complications pre- and post-kidney transplant
• List the most recent results of the new Kidney Allocation System
• Discuss the various approaches to matching and allocation in Kidney Paired Donation
• Review the process for continuously evaluating new advances for listing of a potential kidney transplant patient
• Explain how ACOs will affect the ESRD transplant population

Faculty

DISTINGUISHED GUEST FACULTY
Kenneth Andreoni, MD
Associate Professor of Surgery
University of Florida College of Medicine
Gainesville, Fla.

Joseph F. Buell, MD
Professor of Surgery
Director of the Future Transplant Abdominal Institute
University of Florida
New Orleans, La.

Kamyar Kalantar-Zadeh, MD, MPH, PhD
University of Florida College of Medicine
Gainesville, Fla.

Hirohito Ichii, MD, PhD
Associate Professor of Transplantation
Texas Transplant Institute
San Antonio, Texas

Mark Jordan, MD
Clinical Professor of Urology

Jaime Landman, MD
Professor and Chair of Urology

Connie Rhee, MD, MSc
Assistant Professor of Medicine
Division of Nephrology and Hypertension

Kamal Khubchandani, MD, PhD
Professor of Pathology

COURSE DIRECTORS
Clarence E. Foster, III, MD
Professor and Chief of Transplantation
UC Irvine Health

Kamyar Kalantar-Zadeh, MD, MPH, PhD
Professor and Chief of Nephrology and Hypertension
UC Irvine Health

Sharon K. Yin, M.D., Ph.D.
Professor of Pathology

Josef W. Budde, MD
Professor of Medicine

Bryan B. Mehta, MD
Professor of Medicine

UC IRVINE FACULTY
Horshato Ichai, MD, PhD
Associate Professor of Transplantation

Mark Jordan, MD
Clinical Professor of Urology

Jaime Landman, MD
Professor and Chair of Urology

Connie Rhee, MD, MSc
Assistant Professor of Medicine
Division of Nephrology and Hypertension

UC IRVINE FACULTY

Program

7:00 a.m. Registration and Continental Breakfast

8:00 a.m. Welcome and Introductions
Clarence E. Foster, III, MD
Kamyar Kalantar-Zadeh, MD, MPH, PhD

Kenneth Andreoni, MD

9:00 a.m. Updates on Blood Pressure Management in Chronic Kidney Disease
Kamyar Kalantar-Zadeh, MD, MPH, PhD

9:45 a.m. Cancer in End Stage Renal Disease Patients
Joseph F. Buell, MD

10:30 a.m. AM Break

10:45 a.m. Current Immunosuppression for Renal Transplant Patients
Horshato Ichai, MD, PhD

11:30 a.m. Ultrasound and Biopsy of a Kidney
Jaime Landman, MD

12:15 p.m. Lunch Buffet

1:15 p.m. Living Kidney Donation and Paired Exchange
Adam Bingaman, MD, PhD

2:00 p.m. Urologic Aspects of Renal Transplantation
Mark Jordan, MD

2:45 p.m. Race, Ethnicity, Socioeconomic Status — Still a Hurdle to Transplant
Connie Rhee, MD, MSc

3:30 p.m. PM Break

3:45 p.m. The Ideal and Not So Ideal Transplant Candidate
Clarence E. Foster, III, MD

4:30 p.m. Q & A Session

4:45 p.m. Closing Remarks
Clarence E. Foster, III, MD

5:00 p.m. Adjourn

Registration Information
UC Irvine Health’s 7th Annual Kidney Transplant and Nephrology Symposium

REGISTRATION FEES
Breakfast, lunch and parking included with registration.
• $125 - Physicians
• $75 – Nurses and all other allied healthcare professionals
• $50 – UC Irvine Health nursing
• Complimentary – Residents and Fellows

REGISTRATION OPTIONS
Option 1: Registration online
Visit www.surgery.uci.edu/transplant-cme to register and pay online with a credit card. Online registration will close on Sept. 24, 2015.

Option 2: Registration by mail/check
Checks must be made payable to UC Regents. Please fill out the form below and mail it with your check to UC Irvine Health – Business Development Office, 333 City Blvd. West, Suite 200, Orange, CA 92868.
For more information, please contact our business development office at 714-456-7200 or bd-ucirvinehealth@uci.edu

CANCELLATION POLICY
Refund of registration fees may be requested by sending a request to bd-ucirvinehealth@uci.edu. Cancellations received before Aug. 26, 2015 will receive a full refund. Cancellations made after Aug. 26, 2015 will be subject to a 50% cancellation fee.
